**13. Future Agenda Items**

Sgt. Snodgrass stated he had been contacted by a member who was going to be required to exit DROP and was considering returning to employment in a civilian position. He asked if Atty. Niederdeppe could do some research on this issue. He stated there were some time constraints regarding this request.

Atty. Niederdeppe stated the current statute read if a retired member became employed in the same position by the employer from which the member retired, the system suspended pension payments to the individual. He stated there had been a slight clarification this year saying the same position meant any position where the same authority duties were exercised.

It was the consensus of the Board to direct Atty. Niederdeppe to research this issue for review at a future meeting
