RULING MINUTE ENTRY

This matter having been taken under advisement, this Court finds that Plaintiff has established that a balance of the following four factors weigh in his favor: 1) a strong likelihood of success on the merits; 2) possibility of irreparable harm not remediable by damages if the injunction is not granted; 3) the balance of hardships weighs in favor of the requesting party, and 4) public policy favors granting the injunction.

Plaintiff has sustained his burden of proof to justify the issuance of a Preliminary Injunction. Accordingly,

IT IS ORDERED granting Plaintiff's Application for Preliminary Injunction all in accordance with the formal written Preliminary Injunction signed by the Court on November 10, 2010 and filed (entered) by the Clerk on November 10, 2010.
