Dear Mark:

The purpose of this letter is to thank you and the members of PLEA for your generous donation to the Explorer program.

On October 6, 2010, you hosted a fundraising BBQ at the PLEA office for the Explorers. The event was well attended, with burgers and hot dogs served for lunch and dinner. The food was supplied by PLEA, along with the location and advertisement. When the event was over, a donation of \$2000 from PLEA was presented to the Explorers.

It is my true belief that the Explorers are the future of the Phoenix Police Department. Your donation will be used to support their activities and is greatly appreciated.

Sincerely,

JACK F. HARRIS
Public Safety Manager
