

# Police union doesn't speak for all

In recent months, there have been several stories about the Phoenix police union wanting Police Chief Jack Harris

## **YOUR VIEWS**

fired. If you were not paying attention, the av-

erage citizen may be under the impression all Phoenix police officers want Jack Harris fired. I have been a Phoenix police officer for over 22 years and I can assure you nothing is further from the truth.

Don't be confused by the union that represents police officers as speaking for all police officers. While it may represent the officers, not all officers or supervisors

share its opinion. I believe the majority of us support our chief and believe he is doing a great job.

Jack Harris treats his employees of all ranks, colors and religions with respect. Jack has given more than 35 years of dedicated service to the Phoenix community. I hope more police officers speak up and support their chief. I hope more community groups speak up and support their chief. I hope more advisory boards, politicians and citizens speak up and support their chief.

Jack Harris is a good man who deserves your support.
