was unavailable**

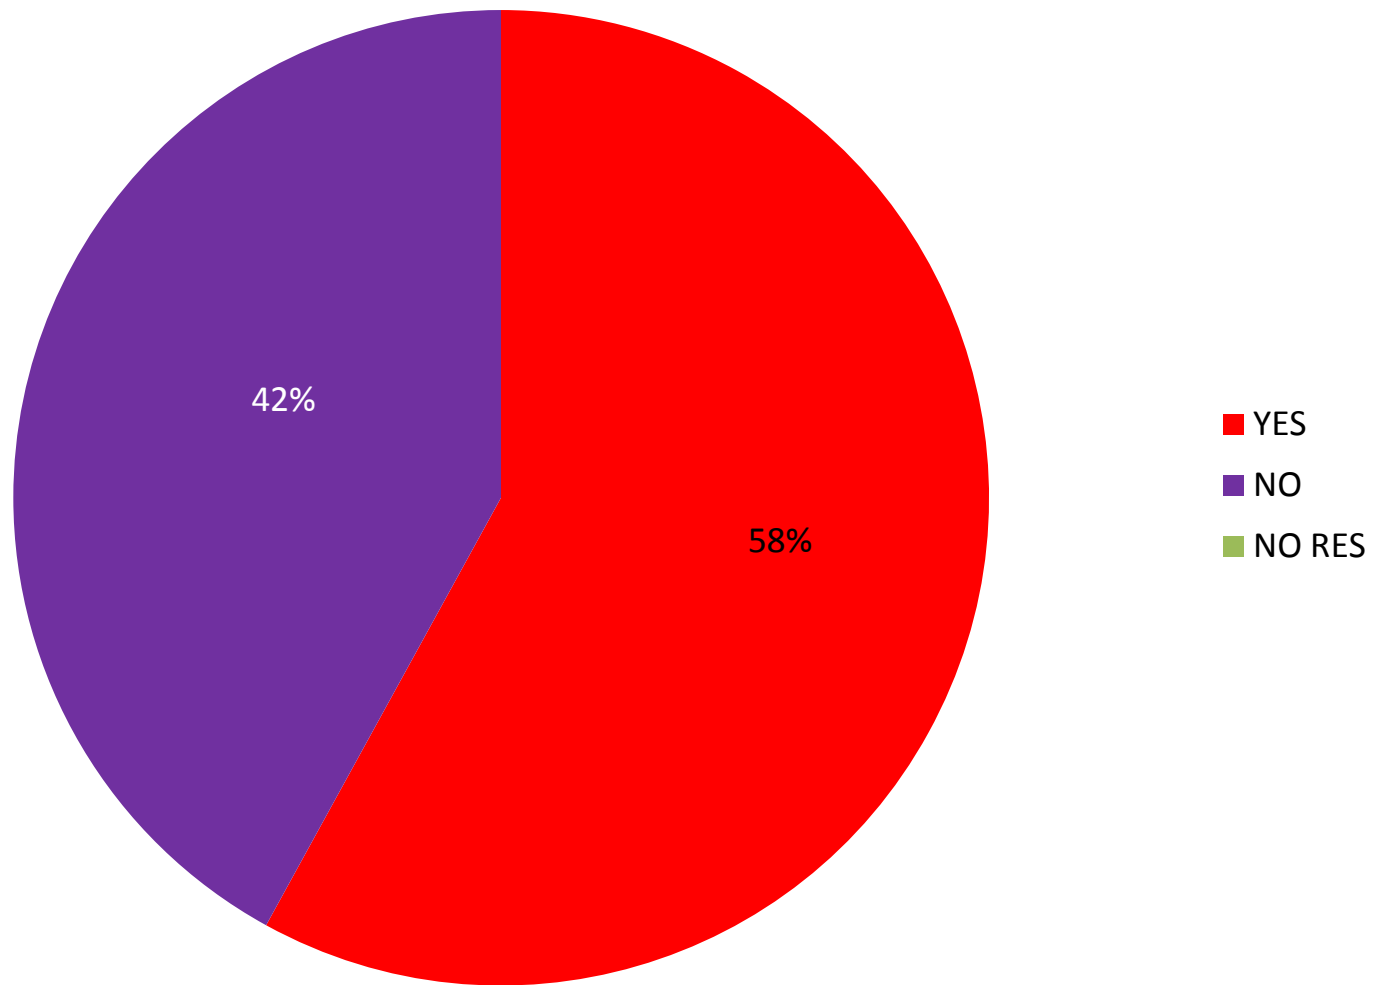

Patrol response only

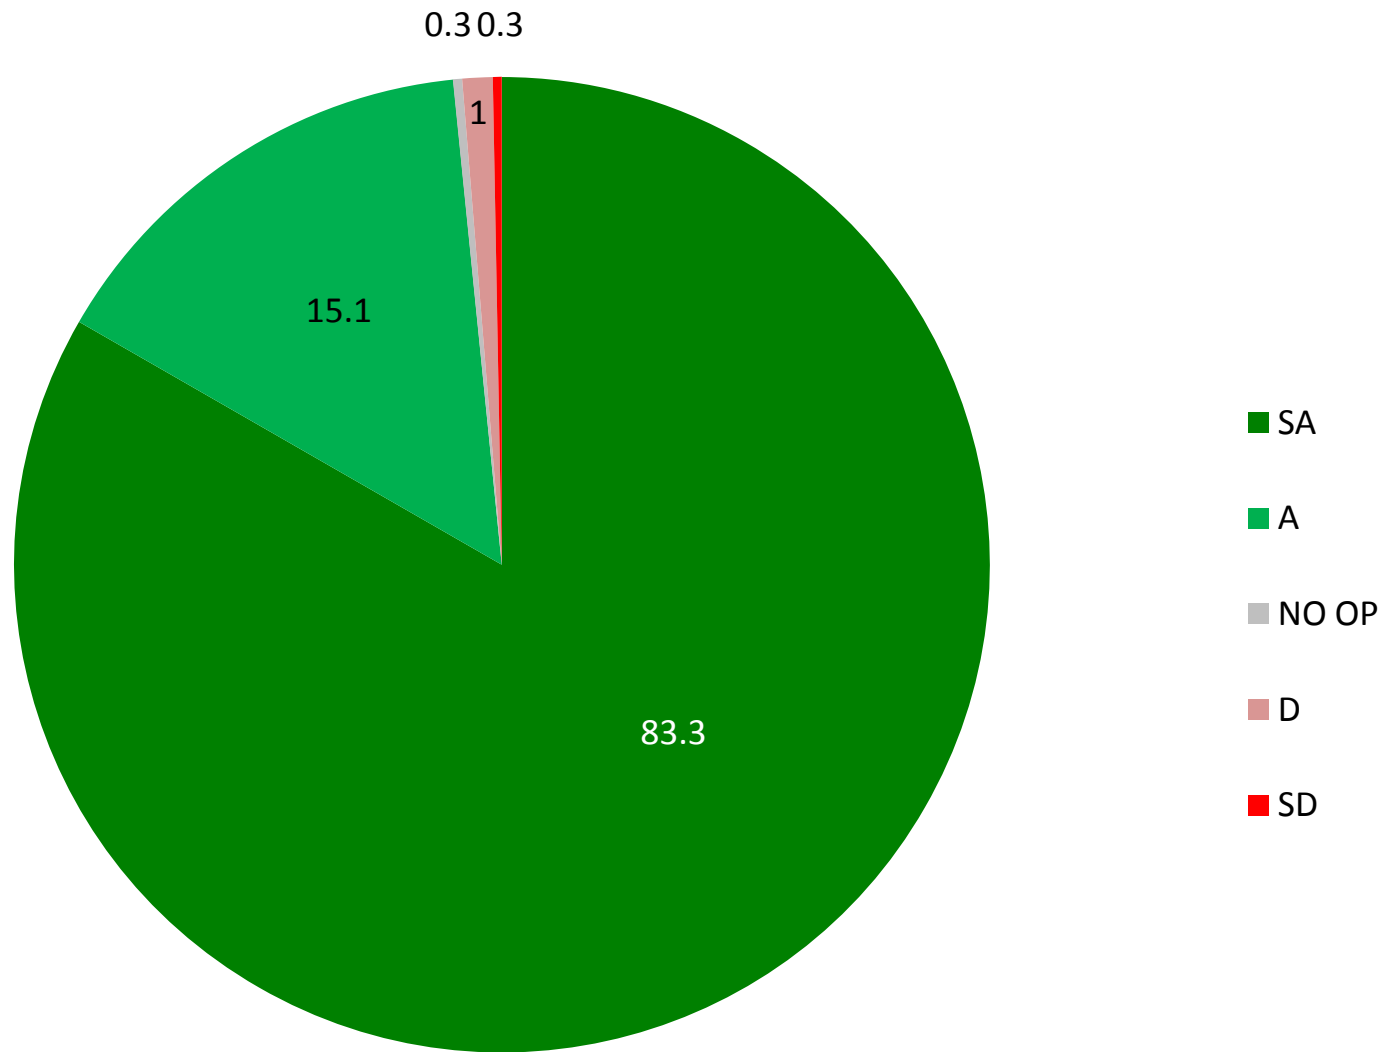

I feel that police work has become increasingly violent since I have graduated from the Phoenix Regional Police Academy

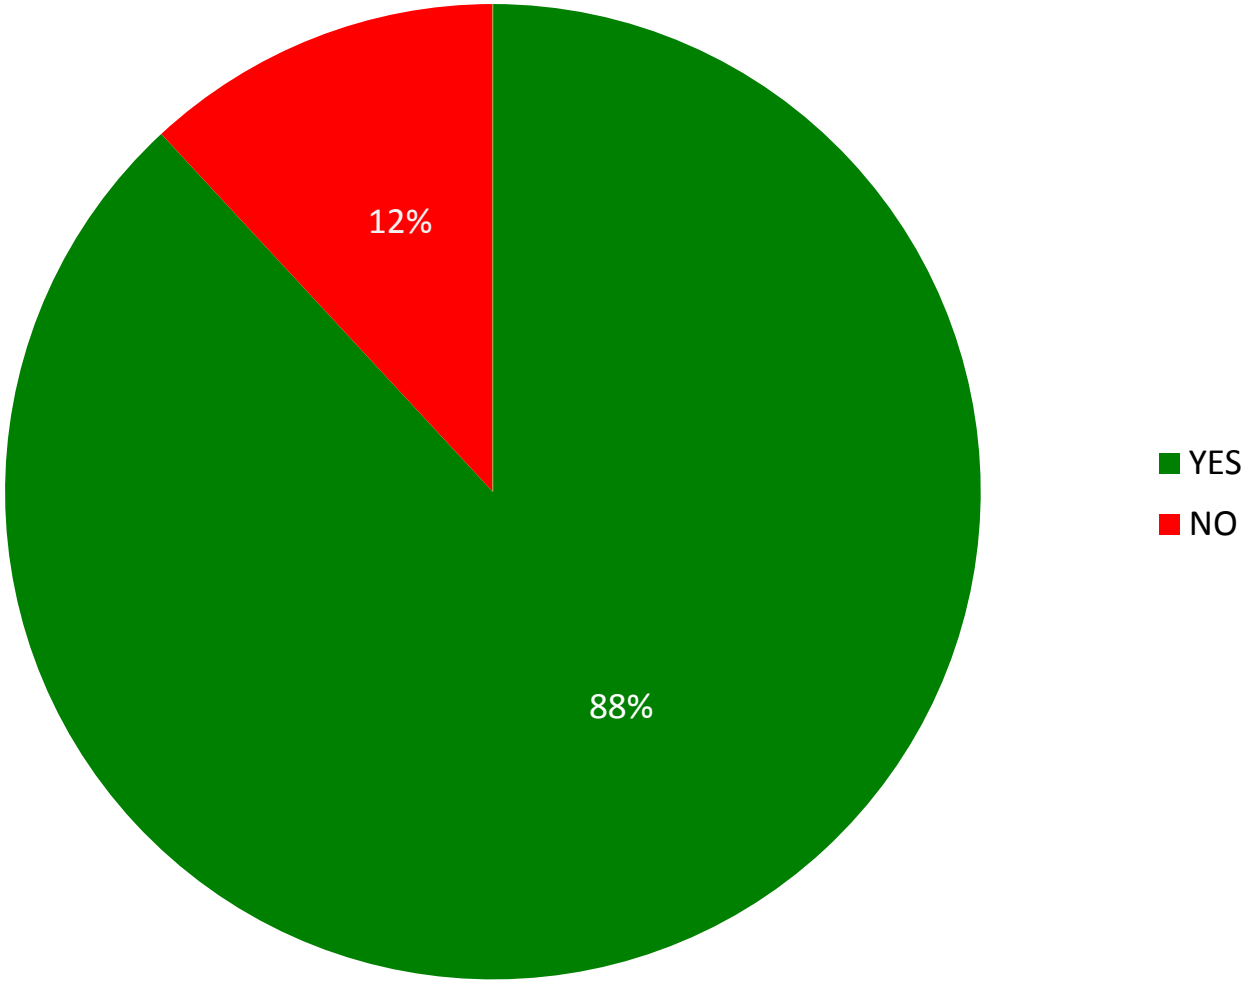

I have been involved in a situation within the past year where a rifle was unavailable

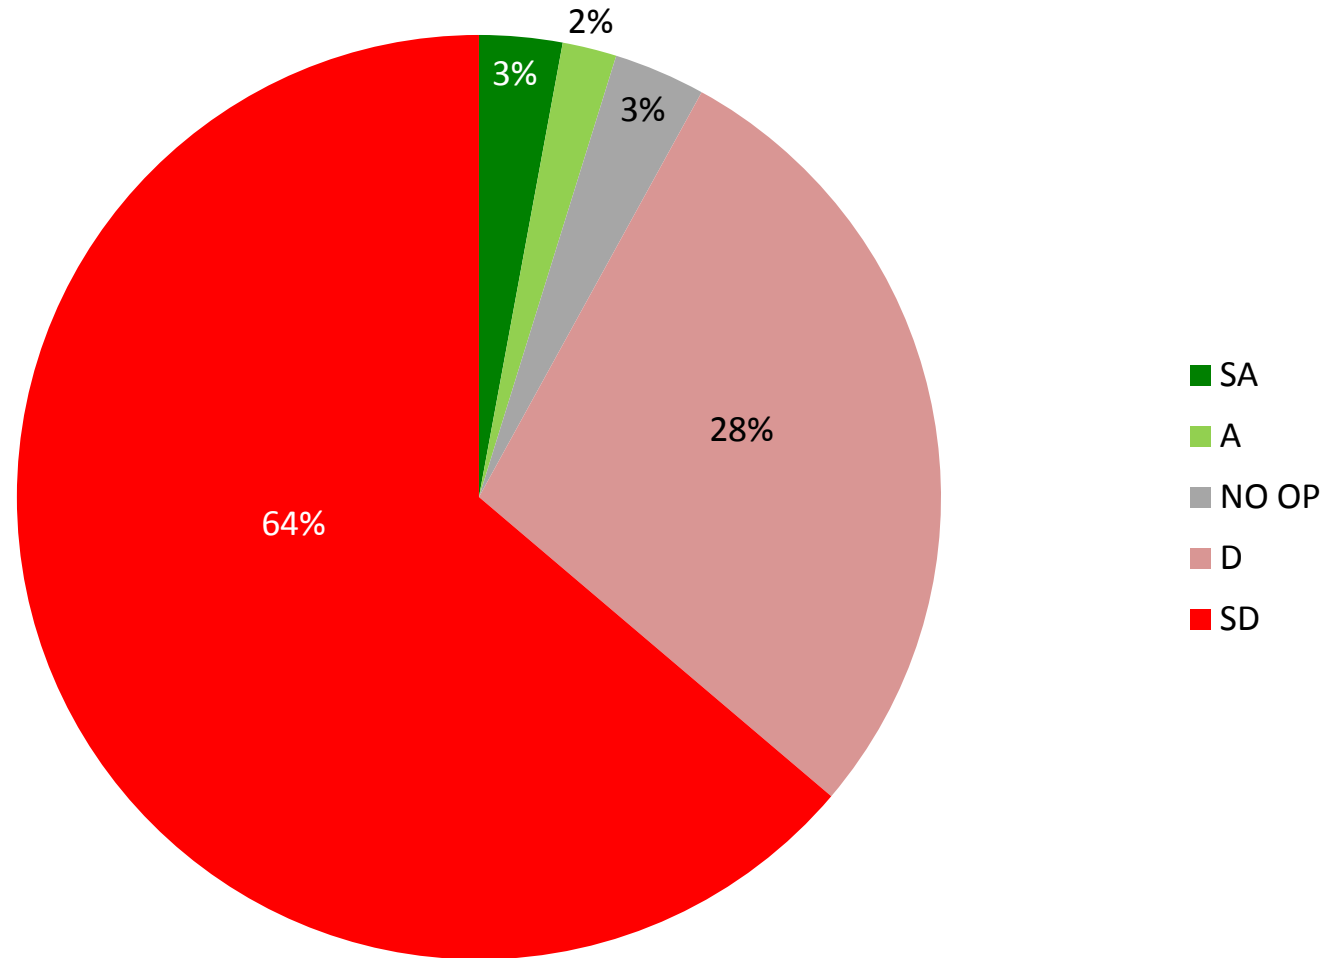

I think that the Phoenix Police Department should allow officers the option to privately purchase patrol rifles

I would be willing to spend my own money at my discretion for a departmentally approved rifle

I believe that the amount of patrol rifles in the hands of 1200+ patrol officers at this point in time is an adequate number to keep officers and citizens safe
