The Simple Solution

Public Employee Program

We Help Protect You and Your Family From...

- Loss of Income
- Unnecessary Taxes
- Market Risk
- Outliving Your Money

Asurea is the nation's premier Insurance Marketing Organization with access to over 40 top-rated companies. With our *Public Employee Program*, we have Independent Representatives who specialize in customizing a retirement plan for your unique needs and budget. Let us show you how we are *The Simple Solution* to an affordable and better retirement. **The services below are provided at no cost to members.**

Tax Free Retirement

An exciting and different approach to retirement that provides you a tax free income stream to supplement your pension and protect your retirement that is also accessible for other expenses.

Deferred Compensation Roll-Overs

Whether or not you have a 457, 403(B) or 401(K), we use secure fixed indexed products to provide your lifetime savings with upside growth potential, all while protecting your nest egg from any market loss.

Pension Max

Pension maximization uses permanent life insurance as a way to help you gain death benefit protection while offering an opportunity to maximize pension benefits. In many cases, Pension Max can save you thousands of dollars per year.

Life Insurance

Most of our clients have dangerous jobs and need to protect their families' income and retirement. We use Term, Whole, and Universal Life Insurance to fulfill our individual client's needs.
